NOTES:

1. The annual Theme chosen for The Church of Pentecost worldwide in 2010 is 'Being transformed into the image of Christ in a Changing World' (2 Corinthians 3:18). Ministers, Elders, and all other teachers and preachers must prepare very well on relevant topics to affect church members spiritually, physically, socially, economically, psychologically etc. to the glory of God.

2. The year 2010 shall be a year of hard work and has been declared as a year of 'sowing and reaping'. God intends to do New Things in the Church and individual lives. In fact the Lord has assured His Church of stupendous growth and expansion in all Areas of the Church (quantitatively, financially, qualitatively, etc.) Aggressive Evangelism to double our churches and number shall be pursued. Each Assembly is expected to double herself by the close of the year.

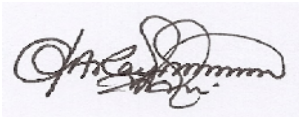

3. The Church's Vision to raise One Million Pounds in the year 2010 has been launched in all assemblies. The Project 'Operation One Million' entreats each member to contribute at least £200 (Two Hundred Pounds Sterling) over a period of Ten Months. This money is for the acquisition of Church buildings. All Church Officers and Members are to sow into this vision for God's blessing.

4. The 2009 End-of-Year National Presbytery Meeting at Fountain Gate will take two days- Friday 5th (6.30pm-10.30pm) and Saturday, 6th February (11.00am – 4.00pm) 2010. Counsellors should please note this and plan well towards it. (By National Head)

5. Local retreats will be arranged with Presiding Elders based on availability of place of worship

6. Executive members and Presiding Elders meeting will be scheduled when necessary

7. District prayer warriors' team will meet once a month on Saturdays. Venue and dates will be communicated to you in due course.
